He shall publish notice of his intention to compile the said registers and the necessity of the producers to register under the scheme by a specified date. He shall enter in the appropriate register the name and address of every producer who applies for registration and is qualified to be registered. He shall send to every registered producer a ballot for approving or disapproving putting the scheme into operation and shall state on the ballot or otherwise the date by which the ballot must be returned.

10. The Returning Officer shall count the ballots and shall forward them to the Provincial Board together with his report thereon.

11. If the Provincial Board considers the result of the said poll such as to warrant putting the scheme into operation and so advises the Returning Officer, he shall then proceed with the election of members of the Board.

12. He shall give notice of the procedure to nominate the candidates as directed by the Provincial Board and of the date by which the nomination-papers must be returned to him.

13. Upon completion of the nominations, the Returning Officer shall have ballots printed for the First District, the Second District, and the Third District separately, showing the names of the qualified candidates who have been nominated and shall send the appropriate form of ballot to each registered producer. The date by which the ballot must be returned to the Returning Officer shall be shown on the ballot or otherwise.

14. The Returning Officer may register producers up to six days before the date fixed for the return of the said ballots.

15. Except as to the first members of the Board, each member shall hold office from the date of his election until the date of the next succeeding election.

16. Except as to the first election the Board shall have control of the election of members to succeed those in office, and beginning with 1950 shall on or before July 15th in each year fix the date for receiving nominations of candidates and shall publish notice thereof in at least one issue of each of four newspapers circulating in the area.

17. The Board shall maintain the registers referred to in clause 9 and from time to time shall revise them, and before removing the name of any producer shall cause to be mailed to him at his last-known address a notice advising him of the Board's intention to remove his name.

18. The Board shall appoint a Returning Officer for each such election and shall follow the procedure outlined in clauses 9 to 14 so far as it is suitable.

19. Every nomination of a candidate for any election except the first shall be in writing in the form prescribed by the Board, and shall be

signed by at least twenty-five registered producers in the district in respect of which the candidate is nominated, and shall be accepted by the nominee, and shall be delivered to the Board not later than the date fixed for receiving nominations.

20. In any election when not more than two candidates are nominated in the First District, the said candidates shall be declared elected by acclamation, and when not more than one candidate is nominated in each of the Second and Third Districts, the said candidates shall be declared elected by acclamation.

21. In the event of more than two candidates being nominated in the First District, and more than one candidate in the Second and Third Districts, or in either event, the Board shall, at least ten days prior to the date fixed for elections, send by prepaid post to each registered producer within the district or districts for which a poll is necessary a ballot and notice of the time by which and the place to which the ballot is to be returned.

22. All voting shall be by ballot, and the ballots, with counterfoils attached, shall be returned to the Returning Officer named by the Board in person or by mail. The counterfoil of every ballot cast shall be signed by the registered producer casting the ballot, or in the case of a partnership or corporation by its duly authorized agent.

23. In the event of a tied vote in any election, the Returning Officer shall have a casting-vote, whether he is a registered producer or not.

24. A producer shall be deemed to have received any notice, nomination-paper, or ballot under the foregoing clauses which is posted addressed to him at his last address registered with the Board. The failure of any producer to receive any such notice, nomination-paper, or ballot shall not invalidate any election.

25. Every registered producer of the First District shall be entitled to vote, and, if he votes, shall vote for two candidates, no more or less, and every registered producer of the Second District and Third District shall be entitled to vote for one candidate.

26. In the event of any delay or irregularity occurring in the conduct of any election or of any doubt arising as to the validity of any election, the Provincial Board shall have authority to determine who are the members of the Board, and to fix the said members' terms of office, and to direct the holding of a special election if the Provincial Board deems it advisable.

27. No person except a registered producer shall be entitled to vote for or be a candidate for membership on the Board. 1228-mh24
